

Swim Team,

New Method For Submitting Athletic Forms

The PISD will be using a new method of completing athletic forms this year.

Please go to our website (www.planowildcatswimming.org) to find the link to the website the board will be using for these forms.

The physical exam form and medical history form will still need to be turned into the coach.

You will need your child's school ID number to register.

If you have any questions, please contact Coach Nelms.
